Rules

1. How long are the games?
 - a. Game are 75 minutes long with a 15-minute warm-up before the game
 - i. Teams can split the field to warm-up
 - ii. Any team can rent a cage prior the game for \$20 for 30 minutes by booking with Lisa at the front desk
 - b. When the buzzard sounds, you finish the at bat in progress and the game is over unless otherwise directed by the umpire.
 - c. The umpire will decide with less than 8 minutes how the game will finish. They can decide to call the game, finish the inning, finish the game on the clock, or dictate how many hitters will hit to finish the game.
 - i. We always try to allow the home team to get their at bats when possible.
 - d. The game clock will start at the time posted on the game schedule, unless otherwise directed by the umpire.
 - e. If the tying run is at the plate or on the bases and the umpire called last hitter, if the hitter walks, another hitter is given a chance until there is a strike out or the ball is put in play.
 - i. This is intended to keep pitchers from intentionally walking the hitter for the save.
 - f. If 6 innings are completed at any age, the game ends.
2. Who is home and away?

- a. The schedule will dictate who is home and away.
 - i. Please note it is an advantage to hit first (away) in a timed game.
3. How many players can play the field at each age group?
 - a. 8u up to 10 can play the field unless the other team approves more
 - b. 9u up to 9 can play the field unless the other team approves more
 - c. 10u up to 9 can play the field unless the other team approves more
 - d. 12u up to 7 can play the field unless the other team approves more
4. How can we setup positions?
 - a. No shifting across middle field is allowed
 - b. Players established as outfielders are not allowed to be involved in pitcher pick off plays
 - c. Standard infield is required, then remaining players can be sent to the outfield.
 - d. 8u and 9u coaches are allowed to have 2 coaches floating on the field during game play.
 - e. 10u and 12u coaches are allowed to stay on the field in foul territory past the bases.
 - i. Each team picking a foul line.
5. Can we pinch run?
 - a. All ages can pinch run for the last out of the inning, only for the catcher.
6. How many players can hit in the lineup?
 - a. 8u thru 12u the entire lineup must hit in the line-up order
 - i. Please give the other team your lineup card
 - ii. Our umpires do not track this during the game
 - iii. If there is ever a question if someone has hit out of order, please bring the umpires attention and a meeting will ensue. If the team hit out of order, that hitter is out.
7. How does the umpire call balls hit off the netting?
 - a. A hitter is out and the ball is dead if it hits the ceiling between or on the yellow ropes. We consider this an easy pop up to the infield.

- b. If runners were stealing, they go back to the original base.
- c. If the ball hits past the second yellow rope the ball is live
 - i. Yes it can be caught for an out.
 - 1. Runners beware, you are live and can be doubled up. It was a flyball!
- d. If the ball hits before the first yellow rope, it will be considered a foul ball and is not live.
- e. If the ball hits off the side net at any time on the flight up or down, the ball is foul.
- f. If the ball hits the ceiling and comes down in fair territory, its fair. If it comes down foul, it'd foul. We do allow umpire to overturn this rule using their discretion.
- g. We strongly suggest teaching your players to play every ball like it's live and let the umpire reset the runners after the play.

8. How do Sac flys off the ceiling work?

- a. In sac situations, live ceiling hit balls are considered to "Touch the Ground" so base runners can advance when it hits the back wall, player, or the ground.

9. What are the stealing rules?

- a. 8u
 - i. No leading or base stealing
 - ii. Ball must be batted to advance a base
- b. 9u

 - ii. Stealing at will is permitted
 - iii. At 10u, runners are not permitted to take an extra base on bad throws.

10. Can we steal home?

- a. 8u

- i. No
- b. 9u
 - i. Yes, the runner on 3rd has the right to steal home if the catcher overthrows the pitcher or the ball gets away from the pitcher.
 - ii. They are not permitted to steal home on a past ball until the last 20 minutes on the game clock or in the 5th and 6th innings.
- c. 9u and 10u *1st and 3rd situations
 - i. If the runner on first steals second base and the catcher attempts to throw the runner out, the guy at third base CAN steal home. However, if the ball is cleanly received at second base (whether the runner is safe or out), the guy stealing home must go back to third. If the ball gets away or is bobbled, the guy stealing home has the right to take the plate.
 - ii. If the runner at first get caught in a run down after a clean catch at second base on a steal attempt, the runner at third must go back and tag up before attempting to steal home again.
 - iii. The catcher can back pick at 1st or 3rd base, however, this allows all runners the freedom to advance to any base.
- d. 10u and 12u
 - i. Can steal home at will, however, if the ball exits the field or gets caught in the netting during the play, the runner must return to 3rd base.
 - ii. If the game begins getting out of control with stealing home, the umpire has the ability to shut it down for the remainder of the game.

 - ii. There is no tee
- b. 9u – 12u
 - i. Start with a 1-1 count. This is to speed up the games and maximize as many live at bats as possible and keep the pitch counts lower.
 - ii. Any hit batsman has the option to take their base or stay and hit with a new 1-1 count. If they choose to stay and hit, any runner that should have advanced a base is given the option to move or stay.
 - iii. If a hitter walks, they have the option to take their base right away or stay and hit with a 2-1 count. If they walk a second time, they must take their base. Any runners that would have advanced on the initial walk has the option to move or stay.

15. How many players do we need to play a game?

- a. Teams must have 6 players in attendance within 5 minutes after posted start time to be eligible to secure a win and points. If a team has 5 or less players in attendance after the 5 minute late mark, the team must

take a forfeit in the point system and the other team get a win and 2 points.

- b. If less than 5 players, the other team is allowed to share fielders but not hitters to play a game.

16. What are the sliding rules?

- a. Not permitted to slide into first base, runner will be called out
- b. Head first sliding is permitted except at Homeplate
- c. Runner is required to slide at home for any plays at the plate, failing to do so the runner will be called out by the umpire's discretion.

17. How do batted balls play out on an indoor field?

- a. Any ball that hits the back wall in the air is an automatic single.
 - i. Base runners are given one base, however, once they touch that base they are live
- b. If a groundball gets through the infield without being touched by a player it is an automatic single. If it is touched by a player the ball is live.
 - i. Base runners can advance one base, however, once they touch that base they are live.
- c. If the ball hits above the metal railing in left or center field, or above the batting cages in right field, it will be a homerun at 9u - 10u and a double for 12u.
- d. If anything hits above the 10' fence but under the top of the railing or over the cages in right field, it will be ruled a double for 9u-10u. At 12u it remains a single.
